

# Reach Out and Read Book Drive Suggested Book List

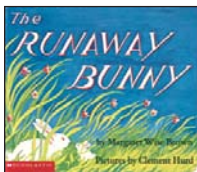

## 6-12 Months

Babies love books that have photos of other babies or feature bright colors.  
**ROR Recommends:** Board books about animals, colors, and counting such as "Good Morning, Baby!", "Colors", and "Baby 123"

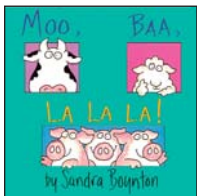

## 12-18 Months

These babies are now mobile and enjoy sturdy books that can hold up to loving handling. Topics that are familiar like games of peek-a-boo are good choices.  
**ROR Recommends:** "Clifford's Peekaboo", "Good Night, Spot", and "Counting Farm"

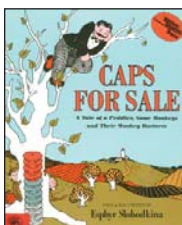

## 18-24 Months

Short, simple stories or rhymes, and books about saying goodbye and hello are great choices for children in this age group.  
**ROR Recommends:** "Little Gorilla", "Is Your Mama a Llama?", and "The Runaway Bunny"

## 24-36 Months

This age group likes board books and books with paper pages. Reading the same books over again is a favorite habit of this age group, so choose books with rhymes, rhythms and repetitious text.  
**ROR Recommends:** "Mr. Brown Can Moo! Can You?", "Moo, Baa, La La La!", and "How Do Dinosaurs Count to Ten?"

## 3-5 Years

Children at this age like books with longer stories. There is a broad range of books from which to choose that parents and children can enjoy together.  
**ROR Recommends:** "Caps for Sale", "If You Give a Mouse a Cookie", and "The Tale of Peter Rabbit"

Out of respect for the diverse populations cared for at ROR programs, we ask that no books on sensitive subjects such as death, medical issues and divorce, nor any religious or holiday books be donated.
